SUSTAINABILITY INFORMATION

Our products are made from paperboard, which is recyclable without any food contact or plastic based additives. Some of our products are compostable in municipal composting facilities. Our goal is to encourage sustainable outcomes for our products. We are continually working to improve our products' environmental impact and educate consumers on living sustainably.

A person wearing a black and white striped long-sleeved shirt is holding a large, square cardboard box. The box is filled with a variety of fresh vegetables, including cherry tomatoes, sliced cucumbers, broccoli, cauliflower, carrots, and celery sticks. In the center of the box is a small, round glass bowl containing a white, creamy dip. The background is a blurred outdoor setting with a concrete floor.

CHECK OUT THIS SPECIAL FEATURE

The patented locking feature makes it possible to fold the top down and stack the barns as boxes, or lock the sides into the top for a classic gable-barn structure! This feature has been added to all sizes of Hearthstone, White and Catering Barns. (see page 4).
