GENERAL ARTWORK GUIDELINES

- Artwork files must be submitted digitally via email - Vector AI, EPS or PDF. Fonts must be converted to outlines and any non-traditional font files must be included
- Artwork is subject to our acceptance based on our printing capabilities
- A PDF proof will be provided for your approval prior to production
- PDF proofs should be viewed at 100% on a regular sized monitor (not a mobile device, tablet, etc). Colors on the monitor are NOT the same as the final product or imprint colors because all monitors display colors differently.
- Borders and large reversed out areas are discouraged. Fine lines placed together may also fill in.

All max artwork sizes are subject to artwork acceptance

- Logos are centered on PDF proofs for approval. However, due to circumstances beyond our control, logo position may have to be adjusted at time of printing and may NOT be able to be centered on the bag. We have the explicit right to make these adjustments as necessary. We cannot stop a machine and notify the customer of these changes. If position is critical, you can request a press proof - we will send pictures via email or ship a sample at your expense for approval. Cost: Hot Stamp \$100 and Ink Print \$75.00 - this is in addition to all other order costs.
- 5x3x8 and 16x6x12 logos CAN NOT usually be centered on the bag due to the limited space between the bottom of the bag and where the handles are placed. For the logo to be centered on these, the logo size MUST be reduced considerably. See pics below.
