

Electronic Art Specifications

We prefer art to be submitted to *size* in illustrator. The file must be saved as an EPS in version CS3 or earlier. (Note to Mac users: Please add the file extension [.eps] to the end of your file name.)

Art must be outlined, including text. (This process converts text to curves.)

E-mailed Artwork

Please e-mail art to: the_gang@montereypackaging.com

Make sure your email has the following information:

- ✓ Your Name
- ✓ Company Name
- ✓ Phone Number
- ✓ PO# or Quote # (if applicable)

*You must also fax a copy of your art to 831-899-1417. We will use it to verify your electronic art and it is necessary to avoid mistakes.

Artwork on Disk

We are able to accept art on a CD or DVD.

Art not submitted to above specifications will result in extra charges and delayed productions time.
